I hold a bachelor's degree in Mechatronics Engineering. Additionally, I have a strong background in Machine Learning and Data Analytics. My programming skills include Python, SQL, C++, and C#, among other languages and tools. I have experience with basic web development using HTML, CSS, and JavaScript. I'm always in the search for opportunities to expand my knowledge and skills.

WORK EXPERIENCE

Salaverry International Terminal

May. 2022 – Feb. 2023

Asset management intern

Salaverry, PE
